Tragedy in Patea – New Zealand

Three dead, car and truck accident

Chantelle Giles, John Bayne and Cherylene Bayne

It's with great sadness in our hearts that we send our condolences to the families of John Bayne, Cherylene Bayne and Chantelle Giles who were killed instantly, after a tanker crashed into their parked car and caught on fire on Egmont Street on Thursday the 25th February 2016.

To those who knew John, he came across as a warm, loving, and caring person, very enthusiastic, putting 110% into everything he did. He tried to cram so much into life and lived life to the fullest. John had a fascinating way of explaining Biblical truths. At times it was a little hard to follow, but if you listened to him carefully enough, you would be blown away with his conclusion. He had a brilliant mind, which was always racing and racing ahead with thoughts and ideas. Whenever he took the Sabbath Service in Auckland, he would somehow weave into the service how the KJV Bible is the only Bible

we should be using. He loved the Lord, and he also loved people. This was very obvious to all who knew him.

John had a big heart. He was very hospitable. Whenever people visited the Bayne family, it wouldn't matter how very freezing cold it was in Patea, the welcome was always very warm. They had a full house, but there was always room for more. Cherry also lived with John and was well loved by those who knew her.

John loved music! Whenever he was in Auckland he would bring his saxophone and join in with the young people with their instruments.

John will be greatly missed, and we look forward to the day when we are all in heaven.

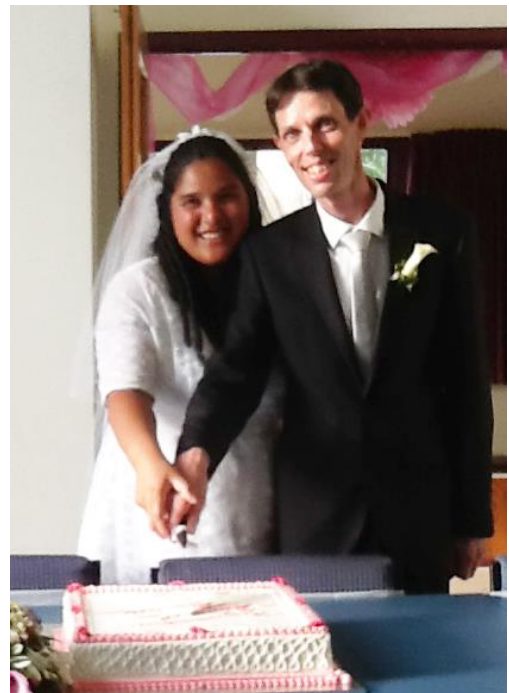

Chantelle Giles was a very happy, bubbly and sincere person. Noeline and Ray Nilsson (Chantelle's grandparents) raised her since she was just a toddler. Everyone who knew Chantelle loved her joyful company and will miss her special ways.

Chantelle and Raphael Giles were married for about 12 months; they met at our church in New Lynn, Auckland four years ago. They came to Patea only just a few days before the accident, looking to make a fresh start in life.

Raphael is in shock. He said that he does not know what he will do without his wife; that she was one in a million, a caring, kind and thoughtful person.

May God be with all those who are mourning at this time and give them comfort.

* Scott Bayne (John's brother) said: *"John Bayne was the leader of the family and he generally had the last word for everybody."* *"We're a very religious family and we know He (God) is up there for us"* and *"Part of a sibling group of seven, John and Cherylene would be remembered for their friendly nature."*

"John had worked at Hawera's McDonalds restaurant as a cleaner but was set to retire this year", Scott said.

Scott described his sister as an "innocent butterfly" and said everybody he knew liked to be around her. "She just had that way about her," he said.

He said both John and Cherylene were likeable, welcoming people who were quick to share a joke.

He said they also shared a strong bond with each other.

"They were really close," Scott said.

He said John, who was born in Australia, had a love for music and was a church choir boy in his youth before he took up playing the saxophone.

While John was a talented musician, Scott said his brother was also well known for his acts of charity.

Scott said John would often give away money or property to people who needed it, and phone calls often came into the family home from people looking for advice from his brother.

Scott said the Bayne family had lived in Patea for about 15 years but were originally from Auckland.

For much of the time they lived in the South Taranaki town Scott had cared for Cherylene, who suffered from mental health problems, as well as their mother, who died a few years ago.

Family from New Zealand and Australia will come to Patea in the coming days but funeral arrangements are yet to be made."

**** "Crowd of 80 attend tanker crash victim Chantelle Giles' funeral at Patea Cemetery**

Pianist Anneli Kingston plays hymns on Chantelle Giles' beloved piano as mourners gathered during Chantelle's funeral at the Patea Cemetery on Thursday.

Chantelle Giles was remembered as a young woman whose cheerful nature changed the atmosphere when she walked into a room.

"She was one in a million, you wouldn't find her in a million," her husband Raphael Giles told about 80 mourners who gathered for her funeral at the Patea Cemetery on Thursday.

Chantelle, 22, was killed a week ago, along with close friends John and Cherylene Bayne, when a tanker collided with the car the trio were in on Patea's Egmont St.

Chantelle's husband described his wife as sensitive, yet cheerful, and the type of person everybody warmed to.

"She loved animals and she loved people. She was very gentle and calm and never impatient with me," he said.

"I miss her terribly. I don't really want to face things without her."

Chantelle's beloved piano was brought on a trailer to the service and the crowd sang hymns while pianist Anneli Kingston played.

As each speaker talked about Chantelle, common threads emerged of a special, happy young woman with a deep love for her music and God.

Chantelle's last days were happy, playing music on various instruments with John Bayne, eating watermelon as she and her husband Raphael made repeated trips from their previous home to Patea, where they had already made friends. She was always cheerful and lived each day without worrying about the future, taking one day at a time.

Her father-in-law, Owen Giles, described the months Raphael and Chantelle lived with them on the family farm. He recalled often returning from a day driving his digger to hear Chantelle playing hymns on her violin. He said Raphael, who had "moved around a bit", was settled and happy back on the farm with Chantelle.

The scene of the crash which left three people dead.

When the couple moved from the farm into town, they worried how she would manage without her piano, but the 22-year-old soon arranged to play a piano and other instruments at a music shop.

Photo: Raphael, Chantelle, Ray and Noelene Nillson.

Chantelle's nana, Nana Noelene Nillson, told through tears how even the family's pet bird, Chicko, loved her, and would call her name excitedly when he heard her voice. Chantelle lived her strong Christian faith through her music. "She said to me, Nanny, I could never play music that didn't glorify my Father in Heaven," she said. "I'm thankful for the many happy moments that she and I shared; we shared a lot of laughs together."

Baptism - Queensland

Baptism – Matthew Brown – Qld

On the 20th of February, Matthew Brown was baptised in his home town in Mt Perry. The Wide Bay Church Group and a few friends and family gathered together on Sabbath to witness this occasion.

The day was beautiful, sunny and warm. It had just rained the week before, so everything was lush and green.

We started out with Sabbath School, and then Divine Service was taken by Br Ben Thiel. This was followed by the Profession of Faith. Immediately after, we went for a small drive down to a creek where Matthew was buried in the waters of baptism. We then went back to my family's home for a fellowship lunch.

The day was a blessing, and all who attended received a blessing, gaining another brother in Christ.

~ Jessica Brown

Wedding Congratulations – Luke and Anda Phillips

1st February 2016

After days of rain, Anda and Luke were very thankful to God for a beautiful sunny Monday when family and friends gathered to witness the joining of their two lives in holy matrimony. The ceremony took place in a large outdoor gazebo, with side glass panels. Looking at a water fountain spraying up in the air, before the ceremony, the guests enjoy the relaxing atmosphere.

Br Nathan Tyler, who officiated the marriage ceremony, welcomed each one present and shared some announcements. Refreshments were served while guests waited for the bride to arrive. During the ceremony, items were rendered by various groups, and a special gift was given to the happy couple by the bride's sisters, Diana and Fulga; when the gift was opened, two butterflies flew away. The butterflies were a symbol of love, beauty and transformation; a symbol of Anda and Luke's love and commitment to each other, the beginning of a new journey in life.

After the religious service, the couple signed the paperwork, and when back in the gazebo they were presented to the guests as Brother and Sister, Mr and Mrs Luke Phillips.

There was some free time between the religious ceremony and the reception while the couple went to their photoshoot.

We gathered back at the same location in the evening for a wonderful reception. Again many items of praise were offered to God in between the food courses. Speeches were made, and thanks were given to all who helped make this day a wonderful one.

Luke and Anda have purposed in their hearts to be missionaries in East Timor. Soon they will be taking on that challenge and will be making their move.

May God bless them as they start a new life witnessing for their Master! *“Two are better than one; because they have a good reward for their labour.”* Ecclesiastes 4:9.

“The LORD bless thee, and keep thee: The LORD make his face shine upon thee, and be gracious unto thee: The LORD lift up his countenance upon thee, and give thee peace.” Numbers 6:24-26.

Baby Congratulations – Kneebone Family

Cyrus Alexander Kneebone

Congratulations! A new baby boy has arrived at the home of the Kneebone family! Monday morning 18th January brought much joy to Jade, Luke and Josiah as they welcomed the newest member of their family. We thank God for His many blessings and the safe arrival of baby Cyrus Alexander.

Cyrus is a healthy bouncy big boy; his birth weight was 4.4kgs (9lbs 7ozs), his length 55cms and head circumference 37cms. Luke and Jade were thrilled to be able to have Cyrus at home in a birthing pool in their lounge room, with the expertise of a couple of wonderful midwives.

Josiah absolutely loves his new sibling and can't wait to have him wake up in the mornings. No doubt they will be great mates.

We pray Cyrus continues to grow up strong and becomes a true soldier in God's army.

"And the child grew, and waxed strong in spirit, filled with wisdom: and the grace of God was upon him." Luke 2:40. May this be the prayer of Jade and Luke for their sons: to have God always in their lives.

Wedding Congratulations – Timothy and Jessica Wiseman

“On Sunday, the 10th of January, family and friends of Jessica Walkom and Timothy Wiseman gathered at a church on a hill surrounded by rolling hills with sheep in pasture and trees dotting the scenery. The bride arrived right on time and the service was taken by Nathan Tyler. The couple were then married by Paul Chapman.

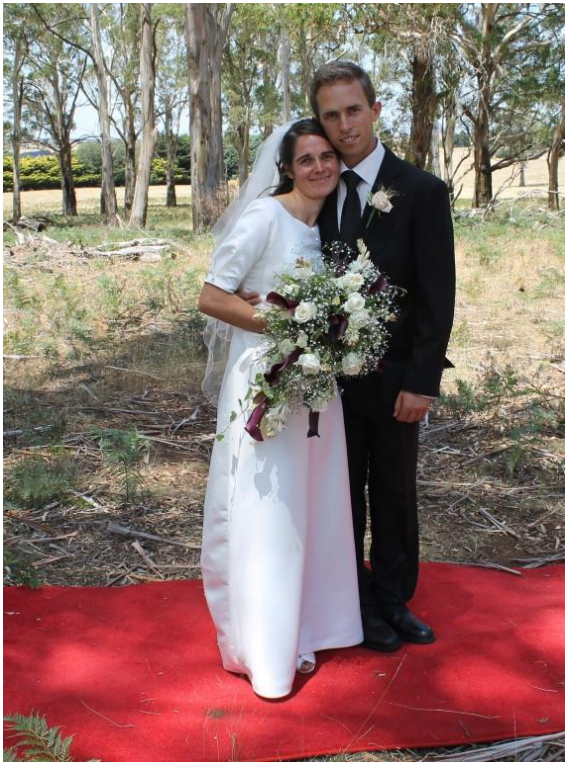

For the afternoon we gathered at the Crookwell Hall for a delicious meal interspersed with speeches and music. We thank God for a beautiful day which will be remembered by those who were present and especially by the Bride and Groom; now Mr and Mrs Wiseman. We wish them every happiness in their new life together.”

Article taken from The Pioneer e-newsletter
Volume 6, Issue 1.

We would like to extend our congratulations and best wishes to Tim and Jessica Wiseman on joining their lives together in holy matrimony. May God be always the centre of your new family circle.

"For this cause shall a man leave his father and mother, and cleave to his wife; And they twain shall be one flesh: so then they are no more twain, but one flesh. What therefore God hath joined together, let not man put asunder." Mark 10:7-9.

Elim Missionary College – Elim Heights Youth Camp

7th February to 12th June 2016

The Missionary Training Program started off very strongly at Elim Heights Youth Camp! Enthusiastic students and profound teachers were full of praise to God for this opportunity to be together where the truth can be learned and shared.

The first month was held at Elim Heights Youth Camp. Students went through the book “Gospel Workers”. They learnt how to do research and put a Bible study together; they also gave their first presentations.

Sister Ecaterina Szabo was the cook for the time the students and teachers spent at Elim Heights, to whom the students were very thankful. Each day, Sr Kati prepared wonderful meals catering for over 20 people. Her time and sacrifice is much appreciated.

While at Elim Heights, Sr Kati used this opportunity to rearrange the kitchen cupboards and also get the students involved in cleaning and scrubbing all the large saucepans.

On the last evening at Elim Heights, Sisters Susan Lausevic and Karen and Adriana Stefanescu helped Sr Katy prepare a special dinner in honour of four of the students who had their birthdays within four days of each other, and it was also a farewell dinner.

The AUC office staff (Br Joe and Sr Lidia Voncina and Sr Elizabeth Thiel), Sr Elaine Weymark, Sr Mercy Dumaguit, Sr Rosemary Voncina, Sr Stela Gules and a visiting young man from Germany, Walter, also enjoyed the evening's fellowship. Speeches and thoughts were shared by teachers and students about their time at the College thus far.

The next part of the Missionary Training Program is being held at the Schofields AUC Centre. The students have been divided to lodge at some of our church members' homes. Class lectures on Tuesdays to Fridays are given by different teachers during the mornings; in the afternoons students have been doing colporteur work or distributing literature. The weekends are just as busy, as each student is assigned to visit different churches and groups; they are taking review and day lessons at Sabbath School and also Divine Services. During the week, they are also taking charge of the local churches' Prayer Meetings as well as home visits and presenting Bible studies.

I would like to share some thoughts expressed by Nathan Tyler and also the students:

The 5th biannual Missionary Training Program commenced on the 7th of February, with 16 students. They were joined for the first month by two workers from the Philippines, for a total of 18 spending the month of February together at Elim Heights. The first morning class covered the book *Gospel Workers*, and the

afternoon class has seen everyone researching, preparing and presenting a Bible study each week over the 4 weeks.

Students will attend the Victoria camp in March and will complete their program at the NSW Conference camp in June. You are invited to join them at these events, and if you live in the greater Sydney area you will have a chance to meet them on Sabbath at our churches and at a number of missionary events to be run in the coming weeks and months.

~ Nathan Tyler

Psalm 34:1 *"I will bless the Lord at all times: his praise shall continually be in my mouth."*

This past one and a half months of Elim Missionary College has been a great blessing for me; great to meet young people learning to become soldiers in Christ's ministry. The first month of the school was the very best time in my life. It was a time that I offered so much prayer, begging for God's help in our research and development of the knowledge of God, and the many treasures (gems) in His Word.

We learned how to organise sermons and Bible studies and there is much more to learn; I encourage you all to attend this programme.

In times past people think that they understand so much about the Bible, but you will be surprised if you attend EMC Programme. In the meantime, we're learning about prophecies and are also doing canvassing; last week we helped with the packing of a container for PNG, with clothing and books for those in need.

Teachers that are involved so far are: Br. P Lausevic, Br. N Tyler, Br. A.C Sas and Br. R Dumaguit. Also a special thanks to Sis. Szabo for all the delicious food she prepared for the first month and all who are involved in cooking for the duration of the College.

My prayer is for all of our members to attend and learn in the School of Christ. 2 Timothy 2:15 *'Study to shew thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth.'* We appreciate and thank you all for your prayers as we continue to learn and work for the Master. God bless you all.

~ Larry Ah-ching

The first month of missionary school was a great blessing. I didn't really know how to study the Bible properly beforehand and learning how to research a specific topic helped me to know how to discover the truths that God has left for us, for myself.

~ Cameron Thiel

On the 7 of February 2016, Elim Missionary School started. Everybody was excited to start the class. Well, I just want to share a glimpse of this wonderful experience. Anyway, we started at 3 o'clock sharp, and our first teacher welcomed us. The day went on, and we finished our first day with many things to study. I enjoyed it so

much that I didn't want to stop doing the Bible research for my topic. Usually after our first class from 8:00am to 1:00pm, we covered many things on how to be a great leader for today and the future. What really surprised me was the time spent there in the camp area was extremely great. I felt like the time was short. I definitely encourage everyone to go to EMC for spiritual building and learn new ways to study the Word of God. God bless and see you soon.

~ Abraham Dumaguit

Coming to missionary school I had come with my plans settled and ambitions made, but little did I know that when Christ becomes part of your life, all that is prone to change. I could write pages about all the delicious food, every new friend, and amazing memories that were made, but God worked in me earnestly

just in that first month. The book *Gospel Workers* alone was an awesome eye-opener! The research training was such a blessing as well. Our teachers would train us to find our limits and push us to go beyond that. Learning to truly search the Scriptures with earnestness and prayer, for entire nights even, was really rewarding. God gave breath-taking revelations! I'd turn the sacred pages like never before, and right before my eyes were glorious gems in every verse! It really just brought the Bible alive on a beautiful personal level. This course has been a great opportunity, and I encourage others to delay no longer and join this life-changing experience!

~ Liliana Escobar

My experience at Elim Heights during missionary school was the perfect combination of intensive Bible research, a beautiful and secluded environment, and constant Christian fellowship. It brought about true spiritual invigoration, and deepened my desire as well as strengthened my ability to be a gospel worker. Listening to the experiences of our ministers was most inspiring, and researching a topic with their supervision was extremely helpful. I would do it again in a heartbeat!

~ Roxanne Fountain

Elim Missionary College has by far been one of the greatest highlights of my Christian experience. The quality of content and training has been such a help for my intended plans of outreach following E.M.C. In the first month, after having accomplished four public speaking assignments, I have found that the college has really exceeded my experience with sharing my faith with others. E.M.C. has been a once in a life time experience.

~ Jade Wales

I had been looking forward to missionary school for the last two months, but it is so much better than anything I could have imagined. The last few weeks have been a rollercoaster ride of incredible

experiences, sermon preparation, canvassing, exams, awesome food, and spending time with a bunch of incredible young people. There is nothing like praying for someone at their doorstep, selling your first book while canvassing for the first time, preaching your first sermon (after thinking it was impossible to accomplish), or simply spending an evening in the forest under the stars recounting how God brought you here. That's when you feel fulfilled and thankful for the great opportunity that you've been given.

~ Elisabeth Balarezo

One of the things I looked forward to the most was the Bible research class. But the most amazing thing happened when I began to see the links of the chain running throughout the Bible and interweaving the different subtopics within my subject. The more time I spent searching for the hidden diamonds within the Bible, the more I became fascinated by how intricate and yet simple the truths are presented. It definitely expands the mind! A typical afternoon of study found me at the back of the room in a corner with all my 16 pages of research spread all around me on the floor. Definitely a happy moment; I was in the zone! Also the food was amazing! But nothing could have prepared me for how wonderful it is to be able to help others either through a Bible study or by simply standing at a person's door and praying with them during canvassing. From that experience and many others since, I can truly say that when you allow God to work, you really feel and see His power not only in your own life but in those to whom you reach out.

~ Daniela Balarezo

If there is something I can say about my experience so far, it is that missionary school is even better than what I expected! I have gotten the privilege to hear the experiences and lectures of ministers that have an immense reservoir of knowledge, to make friends for life with youth who I have come to know are the best and brightest, all unique individuals with diverse talents, and dig into the Word of God to find gems and diamonds of truth. I am grateful to Brother Peter and Brother Nathan, who taught us that if we search hard and dig deep, we will find diamonds; and no experience is better than feeling the Holy Spirit bring enlightenment and extraordinary new aspects to ordinary subjects. The best experience of all was the process by which the sermon was put together. As I focused more and more, I locked into the trail that the Holy Spirit had outlined before my very eyes. Delving deep into research, reading quote after quote, recognizing a word from one text in the paragraph of another, a chain of light emerged. God's revelation in His Word became as a web of truth in which one strand was connected to the other, and I could trace the message from verse to verse. I got to understand the meaning of the verse in Proverbs 2:4, *"If thou seekest her as silver, and searchest for her as for hid treasures."* The Lord truly reveals Himself when we look in His Word. Matthew 7:7, *"Ask, and it shall be given you; seek, and ye shall find; knock, and it shall be opened unto you:"* This is an experience I will treasure for the rest of my life, which is why I believe everyone should come to Missionary School.

~ Serban Ionita

So far, missionary school has been a great experience and a rich blessing for me. I have really enjoyed being able to take time away from everyday life and devote full days to studying God's Word and learning how to lead others to Christ. The first month at Elim Heights was a blessing both spiritually and socially, and I really appreciated the efforts of Sr. Cathy Szabo in the kitchen and Br. Robin Gordon in managing the farm and keeping everything running smoothly. I also learned that Clancy the "tame" kangaroo does not appreciate being petted by someone who is empty-handed, and the image attached shows

him letting me know how he felt! Thankfully, I was not seriously injured and came away with only a few scratches. Since moving away from the farm to Sydney, my highlight would have to be learning the canvassing work. It is such a blessing to see what happens when I realize my own weakness and rely wholly on God to open the doors of houses and hearts and to see how many people are interested in both the physical and spiritual health messages. So far, I would definitely recommend missionary school for everyone who wants to challenge themselves and become better equipped to handle the Word of God and lead others to Christ.

~ Jordan Chapman

Before I came to missionary school I thought I knew quite enough, but after being there I realized I knew very little, to say the least.

It is so amazing to hear from others' experiences how our loving Father is incessantly working by different ways, under different circumstances, using the frail instruments as they offer to Him to reach the insensitive, stubborn and rebellious hearts of others. The most amazing part is to know that many have been so convinced of His love as to give their hearts to Jesus and will be able to share eternal happiness with the redeemed in heaven.

It is more than a privilege and honour for me to be able to take part in this missionary training at EMC and to be used in the wonderful work of our Master while it is still day.

~ Herold Etes

A number of outreaches are planned during the term the students will be here. Progress report on activities will be given in the next series of Good Tidings.

May each student be enriched as they attend this program so that they will be better equipped to share the message of hope to the world.

~ Reported by Lidia Voncina

Update on Cyclone Winston Appeal - Fiji

Dear Brethren and Friends in Australia and New Zealand,

"Money has great value, because it can do great good. In the hands of God's children it is food for the hungry, drink for the thirsty, and clothing for the naked. It is a defense for the oppressed, and a means of help to the sick. But money is of no more value than sand, only as it is put to use in providing for the necessities of life, in blessing others, and advancing the cause of Christ." Christ's Object Lessons, p. 351.

As you read in our previous newsletter, Sabbath 20th of February, Cyclone Winston hit the northern side of the Fiji Islands. Cyclone Winston was one of the largest cyclones ever recorded in the South Pacific. The islands have sustained extremely damaging winds and flooding which has caused extensive damage to housing, crops, infrastructure as well as injury and loss of life. We would like to ask you all to keep the Fijian people in your prayers.

We are deeply saddened to receive the news that Br Filipe Seru, a church member who lived on the eastern side of the main island, passed away during the cyclone, and his wife sustained injuries when their house and many others in the village were totally destroyed by the storm. We would like to send our condolences to the family of our late brother.

The members in Suva area are safe and still rallying together to help those who are affected in the villages. Water, food, clothes, temporary shelter and cooking gas are the immediate needs and are being given out by our brethren there. But resources are limited, and financial assistance is needed to continue supply.

We need to raise a minimum of AU\$10,000.00. So far we have received donations of **Aust\$4,990**. We pray you find it in your hearts to give generously. Thank you in advance for your prompt attention to this matter and your generous donation.

To donate please mention **"Fiji Cyclone Relief"** on your envelopes or direct deposit reference.

Below are details for Direct Deposit:

Name: **Reform Movement**

BSB: **032-274**

Account: **168 675**

You can also call **+61 2 9627 7553** for credit card payments or further assistance.

Also donations can be made directly via **PayPal**. From your PayPal account send donations to treasurer@sdarm.org.au and use **"Fiji Cyclone Relief"** as the reference.

Thanking you,
The Australasian Welfare Department.

Church Social Afternoon – New Zealand

As I think of Bro. John Bayne, I remember our last Sabbath day together with him. It was a beautiful day, and Bro. John and his niece (Sis. Micah Bayne) arrived quite early that morning and were even earlier than us! He took the Sabbath School that morning on pronto. He was very cheerful that day. Little did we know what was going to happen that week. He played the saxophone for the instrumentals.

Anyways, after Divine Service we had our Sabbath lunch, and he ate the kumara noodles that he requested from my mum. After lunch we had Young People's meeting, and we all presented different items. It was a lovely meeting.

Later that day, close to evening, we had our dinner, which consisted of sweet desserts. After dinner we had our Social Evening.

We all had a grand time, and there were a lot of activities. Sis Corrin suggested we have our Social Evening outside. We played quizzes and guessing games. And we all had presented items; Desiree sang a song. My mum and I sang a duet together, Sis Corrin did the games,

Bro Michael did a reading and some of the sisters sang some songs. It was one of the best social evenings that we had.

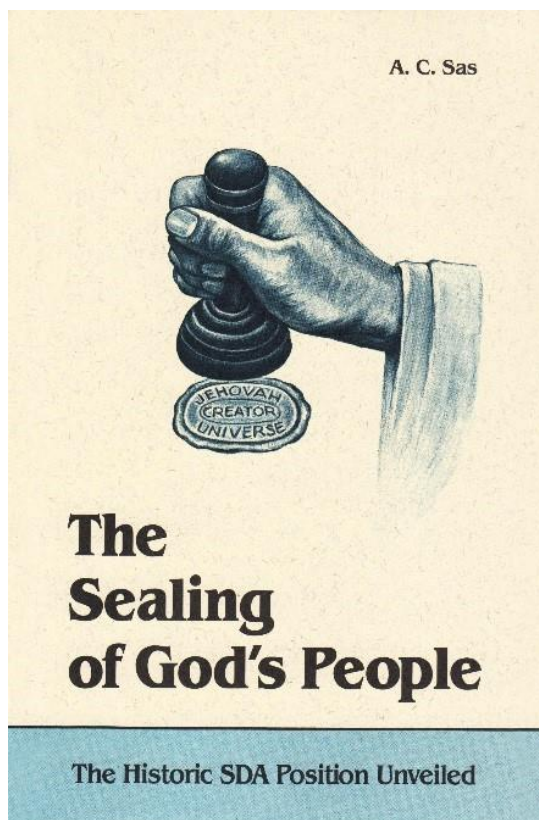

After Social Evening and Closing Sabbath everyone started packing up and heading home. Those who stayed talked, and Bro John was busy talking to everyone.

When it was time to go home we packed our stuff in the car and said goodbye to everyone. I remember saying to Bro. John, "Goodbye, brother. Hope to see you again sometime." I shook his hand and waved goodbye. And that was the last time I saw him.

~ Report by Adelaide Pedrosa

Depression Recovery Program – Wentworthville NSW

Depression Recovery Program

THERE'S HOPE

BEYOND DEPRESSION

Running from April 12 to May 31 every Tuesday night from 7-9pm
At your local Wentworthville church, 158 Bridge rd, Wentworthville.
A COMMUNITY event that will benefit everyone

✓ Learn how to

- Identify depression and its causes
- Enhance energy levels and mood
- Make positive lifestyle choices
- Eat for optimal brain function
- Manage stress without distress
- Defeat depression with right thinking
- Achieve peak mental performance

✓ Not depressed?

- Support a friend or loved one
- Avoid anxiety and depression
- Improve your EQ
- Deal with stress at home and work
- Everyone can benefit

✓ Find out more

Not sure if this is for you? Come to one of 4 FREE Information Sessions.

Session 1: March 29, 11am
Session 2: March 29, 7pm
Session 3: April 5, 11am
Session 4: April 5, 7pm

The Information Sessions will be held at Wentworthville Community Centre in the Banksia Room, 2 Lane St, Wentworthville NSW 2145.
